Subject: RE: Organizing MMR/Autism and Thimerosal/Autism Databases

We'll set something up for the very near future. Paul and I (with Roger) are going to discuss on Thursday the directions we see these analyses taking so we will be better prepared to discuss possible activities with Bill and Weigong sometime after Thursday.

I'd be available to participate in a conference call pretty much any time tomorrow or Thursday. Let me know your preferences and availability.

Thanks.

Paul
